## President's Message

As the fall approaches, I'm realizing how fast the summer flew by. My summer was a flurry of activity getting the YOS performances ready at many outdoor venues and then finally back on our stage. I can't begin to express how happy I was to see an audience back at the NFCT. Thank you to all who came out to support this cast and our theatre. For those of you who aren't ready to join us in person yet, we understand your decision and will save a seat for you when you are ready.

As we re-open and enter our 64<sup>th</sup> season, we ask for your patience as we try to navigate the safest way to remain open. Our first and foremost goal is to make sure that our cast, volunteers and audience are safe.

*As of August 16, the current NFCT COVID policy is: All audience members are required to wear a mask regardless of vaccination status while inside the building. This policy is subject to change and any updates will be posted on [nfct.com](http://nfct.com).*

Our volunteers do not make the policy so I ask that you address any concerns to me and not those who are volunteering at shows. Please send any comments or questions about this policy to me directly at [president@nfct.com](mailto:president@nfct.com).

I hope that you'll join us at the next general membership meeting on September 13<sup>th</sup> at 8:00 PM. We have moved our board and general meetings to the 2<sup>nd</sup> Monday of each month. Join us to find out what's next and how you can get involved.

I hope to see you soon,

-Liz

### **Renovation Campaign**

**NFCT Attic Renovation** This Spring we “finished” our attic, sealing off the old charred beams from the fire in 1982, and adding heat and air conditioning to the space. Then, thanks to efforts of many volunteers, all of the costumes and props that are stored in the attic were gone through and organized. It was a huge effort which will make it so much easier to identify costumes and props for future shows. If you are interested in helping maintain costumes, please contact Liz Liszanckie.

### **Good and Welfare**

It is with a heavy heart that we note the passing of Eileen Sheldon, a long time member who had memorable roles in “The Sound of Music,” “A Funny Thing Happened on the Way to the Forum.”

### **Volunteer Information**
