Magic at the NFCT: Fundraiser for the Renovation Campaign

President's Message

I hope you are all having a wonderful summer. And that you will get to see the Youth on Stage perform "9 to 5" the Musical, which is playing now through August 6th. They are lighting up our stage with talent and energy! And on the stage during the rest of the summer, we have a wide variety of entertainment from the Corchaug Repertory Theatre's One Act Festival, the Fillmore East, Volume 2 jam session, and Magic at the NFCT, which will raise money for the Renovation Campaign – and saw a woman in half!

As we look forward to this upcoming year, the two areas we would like to focus on are: 1) our People (members, volunteers) and 2) our Building: our "Home Sweet Home." We have started a "Welcome, Engagement, and Recognition" Committee which will brainstorming ways to engage our members and volunteers. We have also started a "Home Sweet Home" Project, which is a list of tasks to help maintain and improve our physical building. They can be done as part of a group, or independently. We already have two cleaning/painting events on the calendar. If you would like to participate, in either of these initiatives, please email me at president@nfct.com.

Bring a Friend to the NFCT! (to volunteer or see a show),

Mary

Volunteer Spotlight: Jake, Lorelei and Cara Schaary

Last year Cara Schaary saw a poster for the 2022 Youth Production of Rent, grabbed a few friends to see the show, discussed the show and the amazing cast for another 3 hours and fell in love with the North Fork Community Theater. This summer, she and her family were excited to join the community, first by joining the 202 Gala Committee and then by getting involved in this summer's youth production - 9to5.

Jake, Lorelei and Cara have been busy hanging up posters, handing out postcards and telling anyone about the show who will listen. They made some homemade ice pops and asked their pal and food connoisseur, Gerard Lane at About Food if they could use the storefront to raise funds and to promote the show. "We get money for the theater and tell them about the show so they can have more people come see 9to5!" Jake says. The real fun began with Cara and Lorelei taking on the roles of costume assistants for 9to5. Both lovers of vintage, they tapped Times Vintage in Greenport to rent some blouses, dresses and skirts to outfit the cast in the 1979 workplace attire. "I like seeing it all come together. When I watch the show I feel like I did something," Lorelei explains. The Schaary family has already done a lot this year, but it's just the beginning of a beautiful relationship!
