President’s Message

Dear NFCT Friends,

It's the holiday season and once again there are many ways to stay connected at the NFCT. Come see *One Christmas Eve at Evergreen Mall*, or join us for Holiday Caroling. If you are looking to try something new, reach out to us about learning more about the lights or videowall operations & design. If you have some free time to lend a hand there are always organizing projects that need attention and our building can always use a little cleaning, painting & sprucing up.

The days may be shorter, but we are here to give you a warm place to go on the cold nights. Keep your calendar open for the 18th Annual Variety Show on Jan 6-8. Did you know that the Variety Show raises money to fund the six scholarships we award to local high school seniors? Scholarship applications will go out in January, so keep an eye out for that as well.

I wish you all a wonderful holiday season and hope that you gather new memories to cherish for years to come.

Liz

With your help, we are renovating our beloved theater. Our plan is to keep the buildings historic charm, but make significant improvements to the theater to enable our patrons to better see, hear and experience live theater. The first phase of the renovations included an expanded stage, an orchestra pit, and lighting and rigging infrastructure. We recently renovated our costume attic and bathrooms. The next phase of renovations will include the seats, lobby and auditorium. For more information about the Campaign, contact Mary Kalich at 917-334-6639 or campaign@nfct.com.
