“The Resistible Rise of Arturo Ui”

President’s Message

I hope you all had a chance to see Ripcord and have a good laugh! Congrats to all involved with this wonderful show. There is more great entertainment heading your way as rehearsals for *The Resistible Rise of Arturo Ui* have started.

In the meantime, have you thought of the next way you want to get involved at the NFCT? If you haven't ushered in a while, that's a great way to get involved with limited time commitment. Maybe you're considering auditioning for “Sunday in the Park with George.” Wouldn't that be a fun thing to do this spring? You also could stop by to lend a hand painting and cleaning on February 11 and then come back for music and fun at 8PM for Fillmore East End. If these don't spark your interest, send an email to contact@nfct.com to learn about other ways to get involved.

I'll see you at the NFCT soon.

-Liz

“The Resistible Rise of Arturo Ui”

Cast: Jeanne Arnold, Esmeralda Cabrera, Georgia Ciaputa, Tom Ciorciari, Dennis Creighton, Jennifer Eager, Tim Ferris, Bill Gardner, Liam Glueckert, Peter J. Harrington, Christian LePore, John Lovett, AD Newcomer, Andy O’Brien, Robert Oliver, Alan Stewart.

Production Team: Colin Palmer, Laura Pearsall, Katrina Lovett, Jeanne Arnold, Kayla Lessard, Mark Heidemann, John Yaiullo

As an added benefit and to help facilitate discussions of the play’s themes, each performance will begin with a screening of the 2017 Oscar nominated short documentary *A Night at the Garden*. Using only archival footage, the film documents the 1939 rally at Madison Square Garden held by the pro-Nazi group The German-American Bund. This is a documentary that takes, as The New Yorker put it, “an approach to history that doesn’t lull and flatter us.” Talkbacks with the cast and creative team will be held after each Sunday performance.
